About the Club

North Shore Submission Grappling Club is a **community-run incorporated society** focused on providing accessible submission grappling and Brazilian Jiu-Jitsu training for the North Shore community.

Our club welcomes beginners, experienced practitioners, adults and youth. Training emphasises fitness, discipline, confidence and a supportive training culture where members help each other improve.

We are developing programmes for:

- beginner participation
- youth training
- community sport development
- healthy lifestyle and fitness

Our goal is to build a strong, positive local sports club that serves the wider North Shore community.

Why Sponsor the Club

Sponsoring North Shore Submission Grappling Club allows local businesses to support a growing community sports initiative while gaining exposure to our members and network.

Sponsors receive visibility through:

- the club website
- social media promotion
- branding inside the gym
- exposure to local families and professionals
- opportunities to offer member promotions

Supporting the club also helps develop youth sport and community engagement.
